(player) went back to his room thinking about what had happened before. He suddenly gets teleported and was greeted by Celebi. (player) questions where they are, right after asking he noticed someone else with Celebi. Celebi then introduces (player) to Uxie. Uxie proceeds to explain that the reason for teleporting (player) was to tell him that he is needed to stop the evil organization. Uxie tells (player) about the power of the crystals and teleports (player) to Flower Hill and show that flowers are wilting without the energy from the crystal. Uxie then teleports (player) to the entrance of Wish Cave which shows it being covered by rocks and result of the crystal being stolen away. Uxie teleports them back to Epoch Realm when all of a sudden Uxie was told by the rest of the lake guardians about an attack that was happening. Uxie teleports away to help them, leaving (player) and Celebi behind. Celebi then decided to join (player)'s party to assist him in saving the crystals. (player) then travels the realm to find the Lake Guardians to help them save the crystal. (player) then finds the Lake Guardians fighting a group of grunts near a lake. (player) approaches the Lake Guardians however (player) was too late and the Lake Guardians were easily outnumbered and defeated. (player) notices someone approaching, only to find out that it was Alan (player doesn't actually know his name). (player) notices that Quinn and Eugene was there and they engaged in a battle with him and Celebi. Alan fought the rest of the grunts and they ended up defeating the evil grunts. The evil grunts then escaped upon being defeated. The Lake Guardians thanked Alan, (player) and Celebi for the help in defending the crystals. (player) questions Alan about who he was and why was he here. Alan introduced his name and explains that he was called by Uxie to help defend the crystals. (player) also questions Alan about what had happened earlier, however Celebi interrupted by telling (player) that they had to go and help others defend the crystals. Alan stayed with the Lake Guardians to defend the crystal since they are likely to come back to retrieve it. Suddenly a "boom" sound could be heard nearby, it seems to come from the Water Realm as it is close to Epoch realm. Celebi then teleports both of them there after the Lake Guardians and Alan waved goodbye to them.
